Youth Art Month 87

Practice and preparation in the arts can develop discipline, concentration, and self-confidence. Participation in the arts helps to develop the higher levels of skill, literacy, and training essential to enable individuals to participate fully in our national life. March is Youth Art Month. The Wisconsin Art Education Association urges you to support the arts in your schools.

The arts provide an important aspect of a complete education and have been included as one of the six basic academic subjects by the college board.

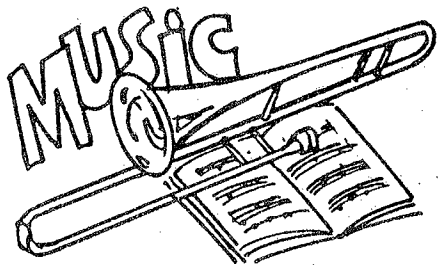
THE WIZARDS

On Tuesday morning, March 3, at 9:55, the WIZARDS, a Jump Rope for Heart Demonstration Team, will appear at Luck schools. Sponsored by the American Heart Association of Wisconsin, their appearance in schools across the state has a twofold purpose: first, to demonstrate the fun and health benefits of rope-jumping, and second, to promote the Jump Rope for Heart exercise event. (Luck will hold the annual Jump Rope for Heart on March 12.)

The WIZARDS are all students from within the Flambeau School District, and range from 5 to 13 years of age. The 45 minute demonstration begins with the simple fundamentals of rope-jumping and progresses to complex, highly entertaining tricks. Routines and tricks are often created by the individual team members who rehearse and practice on a daily basis.

This will be the WIZARDS first appearance at Luck. We look forward to having them.



MUSIC CONTEST TO BE HELD IN SOMERSET

Luck High School music students will participate in the Class A and B Solo and Ensemble Contest. The contest will take place Tuesday, March 10, at Somerset High School. Students receiving a starred first in class A will be able to participate in the State Solo and Ensemble Music Contest held in May.

JUMP ROPE FOR HEART

The 5th Annual Jump Rope for Heart will be held on March 12 in the Luck elementary gym. Jump Rope for Heart is sponsored by the American Heart Association. It is a nationwide student activity in which teams of six members jump rope for a total of 180 minutes. The students secure pledges for each minute the team jumps. All of the money goes to the American Heart Association.

Students, grades 3-12, are seeking your support through pledges. Prizes are awarded to students whose pledges reach certain goals. If a student does not contact you and you wish to make a pledge, please call the school, 472-2151, and leave your name and number. A student will be advised to see you.

Thank you for your support in the past. This should be another successful year with your pledges.

LUCK HIGH SCHOOL

FREE ADMISSION

Presenter: Chuck Engelhart

The Student Support Program is hosting an all day seminar on chemical dependency on Tuesday, March 24. The guest speaker, Chuck Engelhart, is president of Engelhart Training Consortium. This organization presents workshops to schools, industry, business, law enforcement, clergy, and other community groups. Engelhart conducts numerous school workshops to train faculty and staff as well as provide drug and alcohol awareness in communities. Engelhart recently conducted an all day seminar in St. Croix Falls school which was attended by selected area students.

On March 24, sessions will be presented to the following groups: Luck faculty and staff, Grades 4-12 in small group sessions, students who participate in athletic programs, and a special evening session that will be open to the public. The evening session will be interesting to all community groups, community leaders, church groups, parents, and students. Plan to attend!

STUDENT SUPPORT PROGRAM

The Student Support Program was started this year to provide drug and alcohol awareness and to assist students with drug and alcohol problems. One of the aims of the group is to promote education about chemical use and dependency.

SADD NEWS

Welcome to Shiela Brom, Luck faculty member. Miss Brom has agreed to be an "in house" advisor to SADD. Students may take any suggestions or questions to Miss Brom between classes or during lunch time. Miss Brom's availability to students will be a definite asset to building a stronger SADD group. Miss Brom is also a member of the four person Student Support Program. Integrating the two programs will be an asset for all Luck High School students.

LUCK STUDENTS ATTEND CONFERENCE

Jeanette Bloom, Holly Larson, Troy Olson, Scott Warren and adult SADD advisor, Norma J. Lindskog, attended the Third Annual Wisconsin Youth Traffic Safety Conference in Wausau on January 28 and 29.

Keynote address speaker was Robert Anastas, Founder and Executive Director of SADD. Other speakers included Maynard G. Stoehr, Wisconsin Highway Safety Co-ordinator; I. Russ Hutter, Bureau for Pupil Services, Department of Public Instruction; Carol Karsten, Office for Highway Safety, Department of Transportation.

The students attended workshops on Safety Belts, Wisconsin's New Drunk Driving Laws, Formulating a SADD Chapter, Project Graduation, and highway patrolman, Roger Jones, gave a demonstration on roadside testing for sobriety.

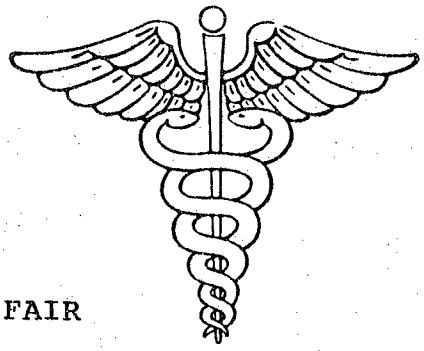
Karl Swanke, center for the Green Bay Packers, was the banquet speaker. He spoke on drugs in the National Football League and conducted a question and answer forum with the students.

Much information was gathered that will be most helpful in building a more active and exciting SADD group in Luck.

BABY SITTERS: When it is obvious that the parents have been drinking, have the courage to tell them that you prefer to spend the night or call your parents to pick you up. Remember, IT'S YOUR LIFE!

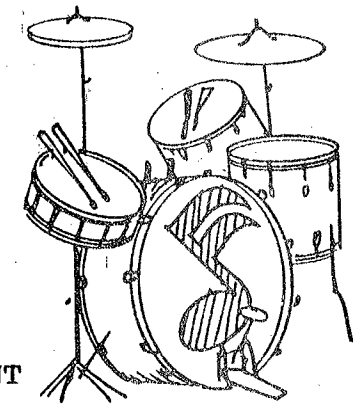
CAREERS CONFERENCE

Exploring Careers Conference will be held at the University of Wisconsin - Barron County Campus, Rice Lake, on March 28, 1987, from 9:00 a.m. to 3:30 p.m. This is an opportunity geared for young women from 6th to 9th grades but open to others. Parents are encouraged to participate in three sectionals geared specifically for them. More information will be coming soon, brochures will be handed out and registration is limited to the first 200. This event is sponsored by CESA 11. The costs is $5.00. For more information, call 822-4711.



HEALTH FAIR

Mark your calendars! On Sunday, April 26, Luck Community Ed and Frederic Hospital will co-sponsor a Health Fair to be held at Luck school. Lunch will be served, the school will be filled with health related booths, speakers and events, and Luck's new physician, Dr. Steve Kirkhorn, will be available for you to meet. It will be an event you won't want to miss. Watch for full details in next months newsletter. The new Ramsey Clinic Luck will also help sponsor the Health Fair.



SPECIAL EVENT

As a gift to the students of Luck school, Dave and Barb Scott have made arrangements to bring one of the most sought after concert shows in the nation to the school the afternoon of April 2. Dave Major and the Minors are five truly dedicated vocalists who combine their talents with an unlimited choice of instruments (over 45!!) for what promises to be a spectacular show. There will be only one show at 12:30 p.m. We would like to extend an invitation to the members of our community to share in this special treat.
