Creativity Academy June (June 18-21 & 25-28)

Student will be taking 1 course per week registered, please rank their top 2 choices:

1st ACT Prep:

2nd Learn skills and strategies to improve your overall ACT score, as well as individual subject test scores. Take practice tests and work through getting correct answers and feedback on how to better answer questions. *Runs the week of June 8-21.

1st Athletic Strength & Conditioning:

2nd Get into peak condition this summer, training with your teammates! Each class will consist of strength and power training, speed, agility, and explosiveness training. Be the best you can be for yourself and your team!

1st Checkpoint Crash Course:

2nd This course is intended for students that received a C or lower in Pre-Algebra, Algebra, Geometry, or Algebra II. Review the materials you're struggling with and possibly gain back .25 math credits.

1st Exploration Learning:

2nd Come and experience incredible food, hiking, music, mysteries, and fine arts. Students participating in this course will travel to incredible local destinations and experience learning like never before!

High School Credit Recovery- English, Science, & Soc. Studies:

1st Work on relevant material in order to regain the credit lost during the school year. *Runs the week of June 18-21.

1st Safe Sitter® Baby-sitting course:

2nd Everything you need to know to be safe when you're home alone, watching younger siblings, or baby sitting. Learn life-saving skills such as how to rescue someone who's choking, and helpful information like what to do if there's severe weather. The lessons are filled with fun activities and role-playing exercises. Attending this program and obtaining a Safe Sitter certification as a credited baby sitter will extend your opportunities for baby sitting jobs.

***Only available June 25th-28th.**

SUMMER

SCHOOL

Mon.- Thur.

8:30 a.m.-12:30 p.m.

June 18-28 & July 9-26

UNITY/LUCK Summer School '18

Unity and Luck School Districts are creating a combination of classes that will include project-based academic enrichment, and also offer activities designed to instill a love for learning and discovery as we tap into student interests. Let's have fun! Summer School at the HS level will consist of various credit-qualified course offerings during the following weeks: June 18th-21st and 25th-28th. The July sessions of Summer School will be the weeks of July 9th-12th, 16th-19th and 23rd-26th. For both sessions, Summer School will run Monday-Thursday from 8:30 a.m.-12:30 p.m. Students attending for Driver's Education will only attend coursework dedicated to Driver's Ed.

On the enclosed page, please fill out the form with all the necessary information. We ask that you also have your child rank the electives they want included in their daily summer school schedule. There are a limited number of spaces, so the electives will be granted on a first come, first serve basis. Please make sure you specify all of the sessions your child will be attending for Summer School.

The Unity School District is a participant in the Summer Food Service Program. As a result, the District will provide free breakfast and lunch to all children 18 and under. Breakfast will be served from 7:45 a.m.-8:30 a.m., and lunch will be served from 11:00 a.m.-12:30 p.m. A free breakfast and lunch will be offered in conjunction with each session of Summer School.

Transportation

Transportation will be provided during summer school for all students in need of transportation. Please indicate on the registration form which sessions you will need transportation for.

*For specific transportation questions,
please call please call Brad Werner, (715-472-2151, ext. 101)*
