## Homecoming

By Sophie Eder and Daisy Roehm

Homecoming kicked off on Sunday, October 1, with window painting, a bean bag tournament, powder-puff, a tailgate party, and the annual bonfire. Alayna Kelch and Anders Dueholm were crowned homecoming queen and king at the bonfire. The Juniors took first place in the powder-puff, followed by the Seniors. Throughout the whole week, students participated in fun games like dodgeball, limbo, and the talent show. Students also participated in fun dress up days like Barbie day and Adam Sandler day. At the end of the week, all the grades got together and designed floats to go through the parade.

The Seniors won with their amazing design. There was also a boy's volleyball tournament on Friday. Seniors ended up winning, closely followed by the Juniors. On Friday night, the Cardinals went against the Dragons. The Luck Football Team put up a good fight against the Siren Dragons but failed to come out on top. After the game, there was a homecoming dance. The DJ was Mr. Baribeau! There was food, great music, and dancing. Everyone had a great time. Seniors took first place overall in homecoming this year followed by the Sophomores, Juniors and last but not least, the Freshmen. Congratulations Seniors!

# Volleyball

A few words from Coach Jensen:

“I think overall this past season we have grown a lot and continued to seek improvement everyday. We worked really hard in practice and in games, and we will continue to work in the off season to prepare for next fall. We have really appreciated the support that we received this season and look forward to paying it forward during the winter sports seasons. The girls should be very proud of their successes this season.”

# Girls Golf

By Daisy Roehm and Sophie Eder

The girl's golf team had a very successful season. They were 6-3 in the conference dual matches. The girls also took second overall at the Northwestern Invitational. On September 27, the girls had their regionals match. They held their own throughout the day and finished strong with a solid third place, earning themselves a spot at sectionals and making them the first L-U-F Girls Golf team to qualify for sectionals! Coach Holicky said, "This year's L-U-F Girls golf team is probably the most successful team I have coached!"
