Veterans Day

By Daisy Roehm and Sophie Eder

On Friday, November 10, the Luck School hosted a Veterans Day program. The High School Student Council, National Honor Society, and Special Ed Department hosted a social before the program where they offered drinks and cookies to all veterans. After the program, they hosted a lunch provided by the Nutrition Team here at Luck. Thank you to everyone who helped make this day special for our local veterans. Thank you, Veterans!

Spanish Club

By Sophie Eder

The Spanish Club and the VAC Club went on a field trip on October 13, 2023. The clubs went to the Minneapolis Institute of Art and to the Midtown Global Market. Students explored the Institute and found many cool things like paintings, sculptures, and photography. Students and the staff then ate at an authentic Mexican restaurant called Salsa a la Salsa. Some courageous students even tried cooked cactus! The club members also explored some of the unique shops at the Global Market. Some students found cool souvenirs like Tibetan scarves and Ugandan earrings. A few of the club members got to also try authentic Japanese boba! The Spanish Club also made guacamole for the 8th grade's Festival of Nations event. The students made fresh guacamole by combining peppers, jalapenos, avocados, garlic, onions, and tomatoes. A few members of the club even spoke to the 8th grade class about the history of guacamole. It was perfect!
