By Sophie Eder and Daisy Roehm

In a welcome back season the Luck Ice Fishing Team participated in a state qualifier in January. The qualifier consisted of over 70 teams, all having the goal of catching 250 inches of fish on one single day of fishing. The team battled through a long day of excitement of running back and forth to flags. Of the 70 teams only 34 qualified. Luck placed 30th on that list with a total of 266.5 inches.
