On March 31 and April 1 the Luck Drama Club premiered their 25th annual Spring Comedy Show. The cast works hard every year to prepare comedy sketches and this year they impressed everybody. They were able to use their new lighting system which allowed for an even more striking show. The cast consisted of 26 students. A huge thank you to the following seniors who helped bring us these wonderful shows throughout the past 4 years: Philip Brinkman, Amelia King, and Ian Zelinski.

Softball

By Sophie Eder

The Luck/Frederic Softball team has shown some amazing improvement throughout the season. The team was coached by Erin Hansford, who was assisted by Cassidy Chenal. The team included two amazing senior players. The seniors are Sara Sellent and Amelia King. Sara played left field and Amelia played center field. They played with heart throughout the entire season and the team will be sad to let them go. The L/F Softball team had lots of complications due to weather and having to practice in the gym. The team still managed to show their love for the sport and got better and better as the season went on.

Baseball

By Mason Carter

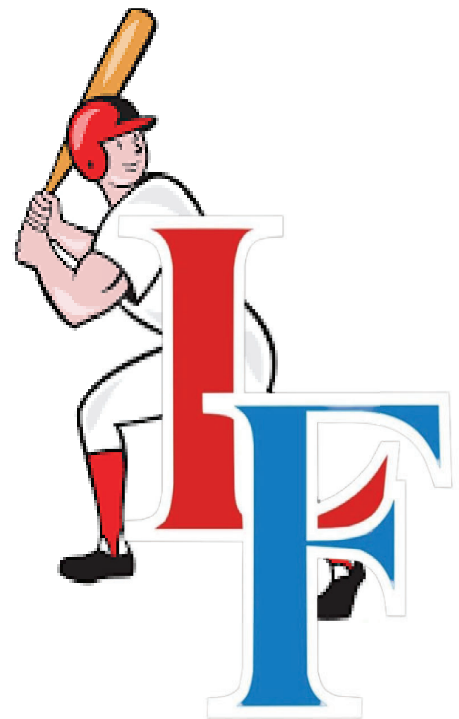

The Luck-Frederic Varsity Baseball team is in the midst of a good year. While the record doesn't exactly show it, the team has one of the best offenses in the West Lakeland Conference. With a relatively young team, there are high hopes for the future of both the rest of this season and the future years of L/F Baseball!

Prom 2023

By Molly Cook

On Saturday, April 29, Luck High School celebrated Prom of 2023. Our theme this year was Enchanted Garden, which was chosen by our junior class. The junior class worked very hard on decorating and making sure it was a great night for everybody. The night started out with the Grand March, where everyone got to show off their beautiful dresses and suits. This was followed by the crowning of our new king and queen, Nels Anderson and Kayla Armatis. Last years Prom king and queen, Ian Zelinski and Vivian Jorgenson, got the honors of crowning them. From the Grand March everyone headed to the Balsam Lake Lodge, where the actual Prom began! The music was DJ'd by Matt Lorusso where he played a variety of different songs. The Lodge had meatballs, fruits, and vegetables for the students. Following the Prom, everyone met back up at the school and boarded the buses to head to McKenzie Lanes where post-Prom was celebrated. McKenzie Lanes supplied food and drinks for the students. There were lots of different prizes that everyone had equal opportunity to win. There were games of Black Jack happening along with bowling matches. Many different students won prizes by the end of the night and everyone had a blast. Students arrived back at school at 3 a.m. and called it a night!

They will go down in history as the grade who won three Homecoming grade competitions in a row and four Spirit Week grade competitions in a row.
